Taking Training Tests

When you are ready, at the bottom of the training module page, click the **Take Test Now** button. Note the following:

- Typically, there are 20 test questions; however, the “Starting a Safety Ministry” module, for instance, has only 10 questions.
- If you get at least 80 percent (16 correct answers out of 20 or 8 correct answers out of 10), you successfully pass the test and have the opportunity to print out a certificate of completion.
- If you need to try again, please review the materials and then take the test again.
